Jensen, Jens M. 2 Dec 1913

September 4th, 1913

Miss M. J. Jansen,

Zürick, Switzerland.

Dear Miss Jansen:

I am glad to hear from you again and to get your independent judgment as to the condition of Dr. Kirschmann. I regret that Dr. Kirschmann has made so little progress, and I am afraid that his condition must be somewhat serious. However, we may hope that there will be some improvement before very long.

You did not tell me in your letter anything about yourself. I should have been glad to hear what you are doing. It is now several years since you left Toronto, and I hope they have been pleasant years for you.

With kind regards, I am,

Yours sincerely,

President.
